

EVENT PROGRAM
October 1, 2011

- 9:30 a.m. – 10:00 a.m** **Registration** (Location - [TBD](#))
Participants are greeted with a registration package, and must hand in Parent Permission forms.
- 10:00 a.m. – 10:30 a.m** **Welcome and Keynote Speaker** (Room [TBD](#))
Girls and parents will hear from some women who are studying and practicing engineering.
- Keynote speaker is Cynthia Mason, recent graduate of Environmental Engineering and current University of Guelph Master student in Engineering Systems & Computing. Cynthia will share her vision for success in an engineering program, through staying strong and sticking to her goal: to do her very best!*
- 10:30 a.m. – 12:00 p.m** **Hands-on activities** (Thornbrough 1002 & 1006)
Groups will be divided for grades 7 & 8 and grades 9 & 10. Girls will get the opportunity to speak with current engineering students about what it's like to study at the University of Guelph and they will participate in a design project.
- Parent/Guardian/Adult information session** (Room [TBD](#)) – A panel of speakers consisting of Engineering faculty, graduate and undergraduate students will discuss and answer questions on topics such as entrance requirements, academic support, campus life, and career expectations.
- 12:00-12:30 p.m** **Wrap up Session** (Thornbrough)
Girls will demonstrate their projects to parents and guardians.
- 12:30 p.m. – 2:00 p.m** **Lunch & Information Fair** (Thornbrough)
Lunch will be provided. Students, professors and staff will be available to talk about engineering and how they are involved. Examples of the engineering-related clubs at Guelph will be displayed.
